

Property Damage Claims

Who Should File a Claim

If you experience an interruption of electrical service, you have the right to file a claim. Please note that KIUC will not be liable for any loss caused by accident, storm, fire, strikes, riots, war or any cause not within the Company's control through the exercise of reasonable diligence and care (see Tariff Rule No. 16 on reverse side).

What Information is Needed

In addition to basic information such as your name, address and phone number, we will need to know the date and time of loss, the type of equipment/property that was damaged, and the incident that caused the damage.

When to File a Claim

For a claim to be valid, it must be filed with KIUC within 30 days of the service interruption. Each claim will be investigated and if it is determined that damage was due to negligence on the utility's part, KIUC will compensate accordingly. Properly documented receipts for actual or estimated repair and replacement costs will then be forwarded to KIUC's insurance carrier for further action.

How to File a Claim

To begin the claim process, you may call 246.4300 and a representative will take the information needed to process your claim.
