## Automatic Bill Payment Authorization

I authorize Kaua'i Island Utility Cooperative (KIUC) to begin deductions from my account with the financial institution named below, for payment of my electric bill. I understand that this authorization is specific to the KIUC electric account stated; therefore, should this account be closed and a subsequent electric account opened, I will have to fill out a new Automatic Bill Payment (ABP) application referencing the new account. I also understand that I have the right to stop ABP with 10 (10) days advance written notice of cancellation to KIUC and that KIUC reserves the right to end this payment plan and my participation therein.
