### Rebate Information

Applying for KIUC Rebate Only     Applying for both KIUC & Hawaii Energy Rebate    (Check One)

\*If applying for both rebate programs, combined funding should not exceed total cost of EV charger installation. For more information on the State's EV Charging Station Rebate Program administered by Hawaii Energy, please visit: <https://hawaiienergy.com/evcs>.

### Eligibility Requirements / Terms & Conditions

1. Rebate applications must be submitted no later than ten months after EV Charger Installation is completed.
2. Rebate incentives are limited to two eligible Multi-Port EV Charger rebates per member.
3. Rebates are available to KIUC members only.
4. Level II Multi-Port EV Charger(s) must be available for public use for a minimum of one year.
5. A dedicated KIUC Standard Meter must be installed to monitor consumption.
6. Rebates are available and limited to the installation of a new Level II Multi-Port EV Charger or the retrofit of an existing EV Charger to a Level II Multi-Port EV Charger.
7. Rebates are only offered to Commercial and Large Power Customers.
8. Level II Chargers must have network capabilities through WiFi or cellular.
9. Signage must be posted to designate EV Parking Stalls & must comply with all County, State & Federal Laws.
10. Participation is based on a first-come, first-served basis, until annual funds are depleted.
11. Chargers under this rebate are subject to visual verification. If you are selected for a field audit, you will be contacted by a KIUC Representative.
12. KIUC reserves the right to discontinue and/or change the rebate levels without notice.
13. **Participants must submit a completed rebate application, along with copies of approved County permits, proof of purchase of a Level II Multi-Port Charger, and proof of installation to: KIUC ENERGY SERVICES, 4463 Pahee St., Suite 1, Lihue, HI 96766 or Email to [energyservices@kiuc.coop](mailto:energyservices@kiuc.coop)**
14. Members qualifying for a rebate will be mailed a check to the above referenced mailing address within 6 to 8 weeks from the approval date.

### Waiver of Liability

I have read and understand the Eligibility Requirements and agree to the Terms & Conditions of this Multi-Port Level II EV Charger. I understand that Kaua'i Island Utility Cooperative (KIUC) makes no warranty, expressed or implied, of merchantability or fitness for a particular purpose of the installation of any energy saving devices, including but not limited to equipment purchased with this rebate program and does not warrant or guarantee that any specific energy savings will result. I understand KIUC is not obligated to pay me a rebate, even if I meet all program requirements. By signing this waiver of liability, I waive any and all claims of any nature I may now have or have in the future against KIUC, its employees, officers, directors and agents arising out of this rebate program unless caused by KIUC's gross negligence.
