

Nissan Extends Rebate Offer to KIUC Members on 2019 Nissan LEAF® Sedans

*Līhu'e, Kaua'i, HI – 1/03/2020* – Nissan North America will continue to offer KIUC members access to rebates off the manufacturer's suggested retail price (MSRP) on the all-electric 2019 Nissan LEAF® sedan and the 2019 Nissan LEAF-Plus® at participating dealers through March 31, 2020.

KIUC members who buy a 2019 LEAF® can receive a \$3,500 rebate off MSRP. The rebate for the LEAF-Plus® is \$2,500. Combining the special rebate and \$7,500 in federal tax incentives, coop members could save up to \$11,000 or \$10,000 respectively on these models.

In order to receive the rebate, KIUC members must present proof of residency, their electric bill and the Nissan flyer, which is available for download and printing from the KIUC website, [www.kiuc.coop](http://www.kiuc.coop), on the "Community" page under the "EV Resources" tab.

According to Ryan Mackey of Kuhio Nissan: "We have a number of models in stock and look forward to talking to individuals interested in taking advantage of this affordable, clean transportation option."
