Princeville and Hanalei Power Outage on Monday Night

Līhu'e, Kaua'i, HI – 04/09/2020 - Kaua'i Island Utility Cooperative (KIUC) advises North Shore residents between Princeville Airport and Waikoko that power will be off on Monday, April 13 from 10:30 p.m. to 12:30 a.m. for work on the transmission line near the Hanalei Bridge.

During this time, the eastbound lane of Kūhiō Highway will be closed to alternating traffic so crews can move the transmission lines from a pole near the river to a pole across the highway. Motorists are advised to drive safely through the work area.
