KIUC Prepares For COVID-19

Līhu'e, Kaua'i, HI – 03/09/2020 Kaua'i Island Utility Cooperative is preparing for potential impacts of COVID-19, a respiratory illness that has affected thousands of individuals around the world.

While there are currently no confirmed cases of COVID-19 on Kaua'i, and only two in the State of Hawai'i, KIUC's management is continually monitoring statewide, national and international developments on the virus.

“Protecting the health of our members and employees while continuing to provide an essential service for our island is our top priority,” stated KIUC's President and Chief Executive Officer, David Bissell.

KIUC's services remain unchanged at this time. Members who wish to minimize contact with others should consider using on-line payment options such as the SmartHub service. Information on SmartHub can be found on KIUC's website: www.kiuc.coop. Members may learn more about payment options by calling 808.246.4300 during regular business hours: Monday through Friday, 8:00 a.m. to 4:00 p.m.

For general information on COVID-19, please visit the State of Hawai'i Department of Health website: <https://health.hawaii.gov/docd/advisories/novel-coronavirus-2019/>.
